

Dear Parents, Grandparents & Supporters

It's that time of year again when our annual Presentation Nights are almost upon us...

This year all the presentations will be taking place over a number of weekends and will all be held at Trinity Sports & Social Club.

Each presentation will be on a Saturday evening starting at 7pm and finishing around 12am.

Please see details on the next page for your allocated date that your child's teams presentation will take place.

On the night each player will receive their season achievement awards and could possibly even be picking up a well deserved Special Award...

Also on the night –

- Disco
- Raffles
- Most important for the parents the bar will be open also....

All we would ask is that you provide your own food for the evening; you could arrange this amongst the parents of each team as to who brings the sandwiches and who's bringing the crisps or alternatively bring a Presentation Picnic just for your party!

A small charge is required for the evening to cover the cost of the venue hire and also the DJ. Cost for the evening is just £2 per ticket per Adult ONLY, children are free. Tickets will need to be presented at the door on the evening, if you don't have a ticket on the night the charge for entry will be £3.50 per person (so get your tickets early).

Because demand will be high and due to the limitation on numbers allowed at the venue, we can guarantee tickets for the parents of the players but would ask that if people would like further tickets to fill in the ticket stub attached to this letter for the amount required and we will do our best to accommodate everyone.

Thanks – SMYFC Committee
